

18th Annual Maritime Career Day

9 a.m. – 1 p.m., Monday, May 9, 2016

Georgetown Campus of South Seattle Community College, 6737 Corson Avenue South
Gene J Colin Education Hall (Building C)

WHAT: Maritime Career Day is a great opportunity to promote your organization and build awareness of the importance of the maritime industry to our community. Career Day provides a unique chance for maritime, trade, fisheries, government, environmental, research, and educational representatives to introduce secondary school students and adults to our maritime industry.

Last year, nearly 500 students and adults attended Career Day and had the opportunity to meet with representatives from more than 40 businesses, maritime organizations and training schools and watch industry demonstrations, and view industry displays.

This year, Career Day is will be held again at the **Georgetown Campus of South Seattle Community College**. More room for exhibits and attendees. Classroom space. Lots of parking. Plenty of room for displays on the plaza outside of the exhibit hall. No construction zone. And because of the training programs there, we expect a lot more adults to attend.

TO EXHIBIT: The event will also provide you with opportunities for advertising and networking. And please come prepared to discuss and encourage adults to apply for any entry level job opening in your company! We strongly encourage you to make your exhibit as interactive as possible!

We will provide you with tables for your exhibit. Exhibitors will receive 2 boxed lunches for each booth table and 2 box lunches for demonstrations.

DISPLAYS: Your business or organization may also provide demonstrations and activities on the plaza outside of the exhibit area.

SPONSORS:
